

## ELQF Sponsorship

### ***Why sponsor a ELQF Event?***

ELQF currently does not charge membership fees and relies on sponsorship to allow us to continue to offer regular forum meetings and one-off day workshops free of charge to our members. Such forum meetings and workshops are key to the delivery of the forums aims i.e. to encourage and promote the effective and sustainable rehabilitation of contaminated land.

### ***Benefits of sponsorship***

By becoming a sponsor of an event we offer a number of benefits including:

- Promotion of sponsor name or logo on publicity for the event
- Name and logo to appear on conference handouts and folder
- Inclusion of an insert in event delegate pack
- Logo to appear on holding slide at the event
- Exhibition stand or posters depending on venue
- Logo and weblink to sponsors site on our events page on the ELQF website for at least a year

### ***How much does it cost?***

Sponsorship of an event is available at a cost of around £1500-2000 (this maybe more depending on venue costs) to sponsor a full day workshop. This sponsorship money will be used to cover some of the organisational costs incurred such as refreshments, venue costs and resources.

If you would like more information on how to sponsor a ELQF event please e-mail [ang-northern-gwcl@environment-agency.gov.uk](mailto:ang-northern-gwcl@environment-agency.gov.uk)
